INDEX TO VOLUME VIII, 1954

ABO blood groups and sex-ratio, 124
Abortion, 120
ACHESON, R. M., and HEWITT, D.: Oxford Child Health Survey. Stature and skeletal maturation in the pre-school child, 59
Age, body-weight of men related to, 99
—, chest girth of men related to, 108
—, maternal, in relation to incidence of anencephalus, spina bifida, and hydrocephalus, 17
— — and fertility, 176
Aged in Dorset: socio-medical survey, 139
Anencephalus, incidence related to birth rank and maternal age, 17
Antioxidant, bladder tumours caused by, 39

Beds, emergency, provision in hospitals, 77
Belfast, breast-feeding in, 51
BILLEWICZ, W. Z.: *see* ILLSLEY, R., BILLEWICZ, W. Z., and THOMSON, A. M.
Birmingham region, mental deficiency institutions in, 162
— —, — hospitals in, 29
— —, nurse training schools, entrants to and student-nurse wastage in, 77
—, tuberculosis mortality rates in, 91
Birth, premature, 153
— rank, incidence of anencephalus, spina bifida and hydrocephalus related to, 17
— —, — of infection and, 26
— —, infant feeding and, 51
— —, — mortality and, 26
— —, sex-ratio and, 126
— —, weight of infant and, 66
Birth rates in local government areas of England and Wales, 1951, 182
Bladder tumour as occupational disease in rubber industry, 39
Blood group, ABO system and sex ratio, 117, 124
Body-weight of men related to chest girth, 108
— — — stature, age, and social status, 99
Breast-feeding in Belfast, 51

CAMERON, D.: Admissions to Scottish mental hospitals in last hundred years, 180
CAMPBELL, W. A. B., and CHEESEMAN, E. A.: Some aspects of breast-feeding in Belfast, 51
Carcinoma of bladder in rubber industry, 39
CASE, R. A. M., and HOSKER, M. E.: Tumour of the urinary bladder as an occupational disease in the rubber industry in England and Wales, 39
CAWLEY, R. H., MCKEOWN, T., and RECORD, R. G.: Influence of the pre-natal environment on post-natal growth, 66
CHEESEMAN, E. A.: *see* CAMPBELL, W. A. B., and CHEESEMAN, E. A.
Chest girth of men related to stature, age, body-weight, and social status, 108
Child morbidity and social class, 24
—, pre-school, stature and skeletal maturation in, 59
CLEMENTS, E. M. B., and PICKETT, K. G.: Body-weight of men related to stature, age, and social status, 99
— —: Chest girth of men related to stature, age, body-weight, and social status, 108
Consultants, use of by G.P., 88
CRAWFORD, J. C. C.: Study of two years' work in Northern Ireland general practice, 81
CROSS, K. W.: Survey of mental hospitals and mental deficiency institutions in the Birmingham region. I. Mental hospitals, 29; II. Mental deficiency institutions, 162
—, and HALL, D. L. A.: Survey of entrants to nurse training schools and of student-nurse wastage in the Birmingham region, 70
—: *see also* HOGBEN, L., and CROSS, K. W.

DAUNCEY, M.: *see* TAYLOR, W., and DAUNCEY, M.
Death, causes of, international classification, 9
Disablement and death, premature, among post office workers, 147
Disease, infectious, incidence in first 3 years of life related to social circumstances, 24
— in the aged, 144
Dorset, old people living in: socio-medical survey, 139

Emergency beds in hospitals, provision of, 77
Employment of mental deficients, 166
England and Wales, admissions to mental hospitals, 185
Environment, pre-natal, influence on post-natal growth, 66
— and growth of children, 59

Fertility and blood groups, 125
—, comparative, in local government areas of England and W 1951, 176
—, maternal, and congenital malformations, 17
Field work, design of records for, 10

General practice in Northern Ireland, 81
Geriatrics, Dorset survey, 139
Gestation, duration of, 66
Growth of pre-school child, 59
—, post-natal, influence of pre-natal environment on, 66

HALL, D. L. A.: *see* CROSS, K. W., and HALL, D. L. A.
Height, children, 59
—, infants, 66
—, men, 99, 108
HEWITT, D.: *see* ACHESON, R. M., and HEWITT, D.
HOGBEN, L., and CROSS, K. W.: Design of records for field work, 10
HOSKER, M. E.: *see* CASE, R. A. M., and HOSKER, M. E.
Hospitals, mental, in Birmingham region, 29
— —, in Scotland, admissions to, 180
—, provisions of emergency beds in, 77
—, Scottish mental, admissions to, in last hundred years, 180
—, use of by G.P., 88
Housing of old people in Dorset, 140
Hydrocephalus, incidence related to birth rank and maternal age, 17

ILLSLEY, R., BILLEWICZ, W. Z., and THOMSON, A. M.: Prematurity and paid work during pregnancy, 153
Infant feeding in Belfast, 51
— mortality, current differential, in England and Wales, 157
— — in England and Wales, 1
Infectious disease in first 3 years of life, incidence related to social circumstances, 24
INGALLS, T. H., PUGH, T. F., and MACMAHON, B.: Incidence of anencephalus, spina bifida, and hydrocephalus related to birth rank and maternal age, 17
Intelligence quotient of children at special schools, 163
Ireland, admissions to mental hospitals in, 185
—, Northern, general practice in, 81

JOHNSTONE, J. M.: Heterospecific pregnancy, 117
—: Sex-ratio and ABO blood groups, 124

LOGAN, W. P. D.: Social class variations in mortality, 128
LOWE, C. R.: Recent trends in survival of patients with respiratory tuberculosis, 91
—, and MCKEOWN, T.: Incidence of infectious disease in the first 3 years of life, related to social circumstances, 24
Lunacy, provisions for, 29
—, legislation, 180

MCKEOWN, T.: *see* CAWLEY, R. H., MCKEOWN, T., and RECORD R. G.
—: *see* LOWE, C. R., and MCKEOWN, T.
MACMAHON, B.: *see* INGALLS, T. H., PUGH, T. F., and MACMAHON, B.
Malformations of C.N.S., congenital, 17, 163
Maternal age and birth weight, 66
— — and breast feeding, 53
— — incidence of anencephalus, spina bifida and hydrocephalus related to, 17
— — — of infectious disease, 24
— mortality, changing pattern in England and Wales, 172
Maturation of children, 60
Medical staff in mental hospitals, 34, 168
Men, body-weight of, related to stature, age, and social status, 99
—, chest girth of, related to stature, age, body-weight, and social status, 108
Mental deficiency institutions in Birmingham region, 162
— disorder, 163
— hospitals in Birmingham region, 29
— —, Scottish, admissions to, in last hundred years, 180
Morbidity in children, and social class, 24
— of old people, 140
— of patients in general practice, 86
— in post office workers, 147
—, social class variations in, 132
Mortality, current differential infantile, in England and Wales, 157
— in England and Wales, changing pattern of, 1, 172, 173
—, infant, in England and Wales, 1, 157, 173
— —, by social class, 135
—, maternal, changing pattern in England and Wales, 178
—, neonatal, 7, 135
—, occupational, 39, 128
—, premature, in post office workers, 147
— in rubber industry, 42
—, social class variations in, 128
— from tuberculosis, 91

Naphthylamines, carcinogenic properties of, 39
Nervous disorder, 163
NEWELL, D. J.: Provision of emergency beds in hospitals, 77
Northern Ireland general practice, study of 2 years' work in, 81
Nursing schools in Birmingham region, survey of entrants to, 70
— staff in mental hospitals, 34, 169
— students, wastage of, 70

Occupational disease in rubber industry, tumour of urinary bladder as, 39
Old people living in Dorset: socio-medical survey, 139
Overcrowding and infant mortality, 160
— in mental hospitals, 30, 164
Oxford Child Health Survey: stature and skeletal maturation in pre-school child, 59

Papilloma of bladder, 41
PICKETT, K. G.: *see* CLEMENTS, E. M. B., and PICKETT, K. G.
Post-natal growth, pre-natal environment and, 66
Post office workers, premature disablement and death among, 147
Pregnancy heterospecific, 117
—, prematurity and paid work during, 153
Premature disablement and death among post office workers, 147
Prematurity and paid work during pregnancy, 153
Pre-natal environment and post-natal growth, 66
Psychiatric clinics, 36
Puerperal mortality in England and Wales, 178
— —, causes of, 174
PUGH, T. F.: *see* INGALLS, T. H., PUGH, T. F., and MACMAHON, B.
Punch-card records for field work, 10

RECORD, R. G.: *see* CAWLEY, R. H., MCKEOWN, T., and RECORD, R. G.
Records for field work, design of, 10
— in general practice, 82
REID, D. D.: *see* ROBERTS, C. G., and REID, D. D.
Respiratory tuberculosis, recent trends in survival of patients with, 91
Rh blood groups, 120, 124
Rhode Island, U.S.A., incidence of congenital malformations, 17
ROBERTS, C. G., and REID, D. D.: Premature disablement and death among post office workers, 147
Rubber industry, tumour of urinary bladder as occupational disease in, 39

Scotland, mental hospitals, admissions to, in last hundred years, 180
Scotsmen, body-weight of, 99
—, chest girth of, 108
Sex distribution of sibs, 178
Sex ratio and ABO blood groups, 117
Sibs, sex distribution of, 178
SIMONDS, W. H., and STEWART, A.: Old people living in Dorset: a socio-medical survey of private households, 139
Skeletal maturation and stature in pre-school child, 59
Social class variations in mortality, 128
— circumstances, incidence of infectious disease in first 3 years of life related to, 24
— — of old people in Dorset, 140
— — and infant mortality, 160
— — and paid work during pregnancy, 154
— status, body-weight of men related to, 99
— —, chest girth of men related to, 108
— — , growth of children and, 59
Special schools, I.Q. of children in, 163
Spina bifida, incidence related to birth rank and maternal age, 17
Stature and skeletal maturation in pre-school child, 59
—, body-weight of men related to, 99
—, chest girth of men related to, 108
STEWART, A.: *see* SIMONDS, W. H., and STEWART, A.
Stillbirths, 7, 135
Student-nurse wastage in Birmingham region, 70

TAYLOR, W.: Changing pattern of mortality in England and Wales. I. Infant mortality, 1
—: Comparative fertility in the local government areas of England and Wales, 1951, 176
—: Current differential infantile mortality in England and Wales, 157
—: Note on the sex distribution of sibs, 178
—, and DAUNCEY, M.: Changing pattern of mortality in England and Wales. II. Maternal mortality, 172
THOMSON, A. M., *see* ILLSLEY, R., BILLEWICZ, W. Z., and THOMSON, A. M.
Todd standards of child growth, 59, 63
Tuberculosis, respiratory, recent trends in survival of patients with, 91
Tumour of urinary bladder as occupational disease in rubber industry, 39
Tyre factory workers, bladder tumours in, 39

Urinary bladder tumour as occupational disease in rubber industry, 39

Weight, birth, 66
— of men related to chest girth, 108
— — — stature, age, and social status, 99
Women, mortality rates, by occupation of husband, 134
Work, paid, during pregnancy, and prematurity, 153

1:2:8:9-dibenzacridine, 39
